Hi Rosemary,

Are you still handling the D&B reports? If you are, I was hoping to get a report for PTP, Inc. located in western NV. To my knowledge, Raymond May is the President, and Leon May and Ernest Crowley are also part of the corporation. If you aren't handling these anymore, could you please let me know the current contact?

I've only requested one of these before, and it was over a year ago, so please let me know if I need to fill out an official application, etc.

Thanks! Eric
